Jean Monnet Action – European Union Studies

Enhancing awareness of the European Union:

European citizenship and values

Role of the EU in a globalized world

Facilitating future engagement as well as people-to-people dialogue

Vector of public diplomacy in third countries, promoting EU values

“European Union studies comprises the study of Europe in its entirety, with a particular emphasis on the EU dimension, from an internal but also from a global perspective.”

Erasmus+ Virtual Exchanges

What are ‘virtual exchanges’?

Online people-to-people activities that **promote intercultural dialogue and soft skills development**. They make it possible for every young person to access high-quality international and cross-cultural education (both formal and non-formal) without physical mobility.

They take place in **small groups** and are always moderated by a **trained facilitator**.

They should be easily **integrated into youth (non-formal education) projects or higher education courses**.

Specific objectives of this call

- Encouraging **intercultural dialogue** with Partner Countries and **increasing tolerance** through online people-to-people interactions
- Promoting various types of virtual exchanges, allowing more young people to **benefit from intercultural and international experience**
- Enhancing **critical thinking and media literacy**, particularly in the use of internet and social media
- Fostering the **digital and soft skills development** of students, young people and youth workers
- Promoting **citizenship and the common values of freedom, tolerance and nondiscrimination** through education
- Strengthening the **youth dimension** in the relations of the EU with Partner Countries

Timetable and budget

Deadline:
26 April 2023

Budget
available: 4
million EUR

Max EU grant
per project:
500.000 EUR
