Erasmus+

Jean Monnet Action – European Union Studies

What are European Union studies?

Teaching, learning and research about **EU**, its **history, aims, structures, functions and policies**

Promotion of **active European citizenship** and the **founding values of EU** of respect for **human dignity, freedom, democracy, equality, the rule of law and respect for human and minority rights** (Article 2 of the Treaty on EU)

Spreading the knowledge about **how EU policies can benefit the daily lives of citizens in EU and abroad.**

A clear **link between the subject of the proposal and the EU policy**

Vector of **public diplomacy** towards third countries

Jean Monnet 2021-2027: award criteria

Note: Each of the award criteria has a max of 25 bodies. To be considered for funding, the proposal must score at least 70 bodies, min 15 bodies in each criteria.

Erasmus+

Expected impact of Jean Monnet teaching and research activities

Quantitative indicators

- Number of Higher Education institutions enhancing the European Union dimension of the disciplines they cover.
- Number of European Union topics introduced in the teaching and research of Faculties/Departments where the EU angle is not usually developed - beyond the subjects typically known for their EU association.
- Number of students reached by the Jean Monnet actions.
- Number of new Chair Holders.
- Number of publications on EU-related topics.
- Number of policy papers to support policy makers on EU-related topics.
- Number of Jean Monnet projects in third countries not associated to the programme
- Extent to which fora and platforms aiming at improving the cooperation and dialogue between the academic and non- academic world are in place.
- Increased opportunities for young researchers to enhance their professional competences and boost their career.

Qualitative indicators

- Increased knowledge on European policies.
- Extent to which Higher Education Institutions engage with the wider society and the non –academic world, on EU topics.
- Increased awareness on EU-related issues in the non-academic world.
- Improved dissemination of Jean Monnet projects results across society, including policy makers.

Erasmus+
