# Acknowledgement

Part of this questionnaire is accredited to the Open University (OU)- Academic Integrity
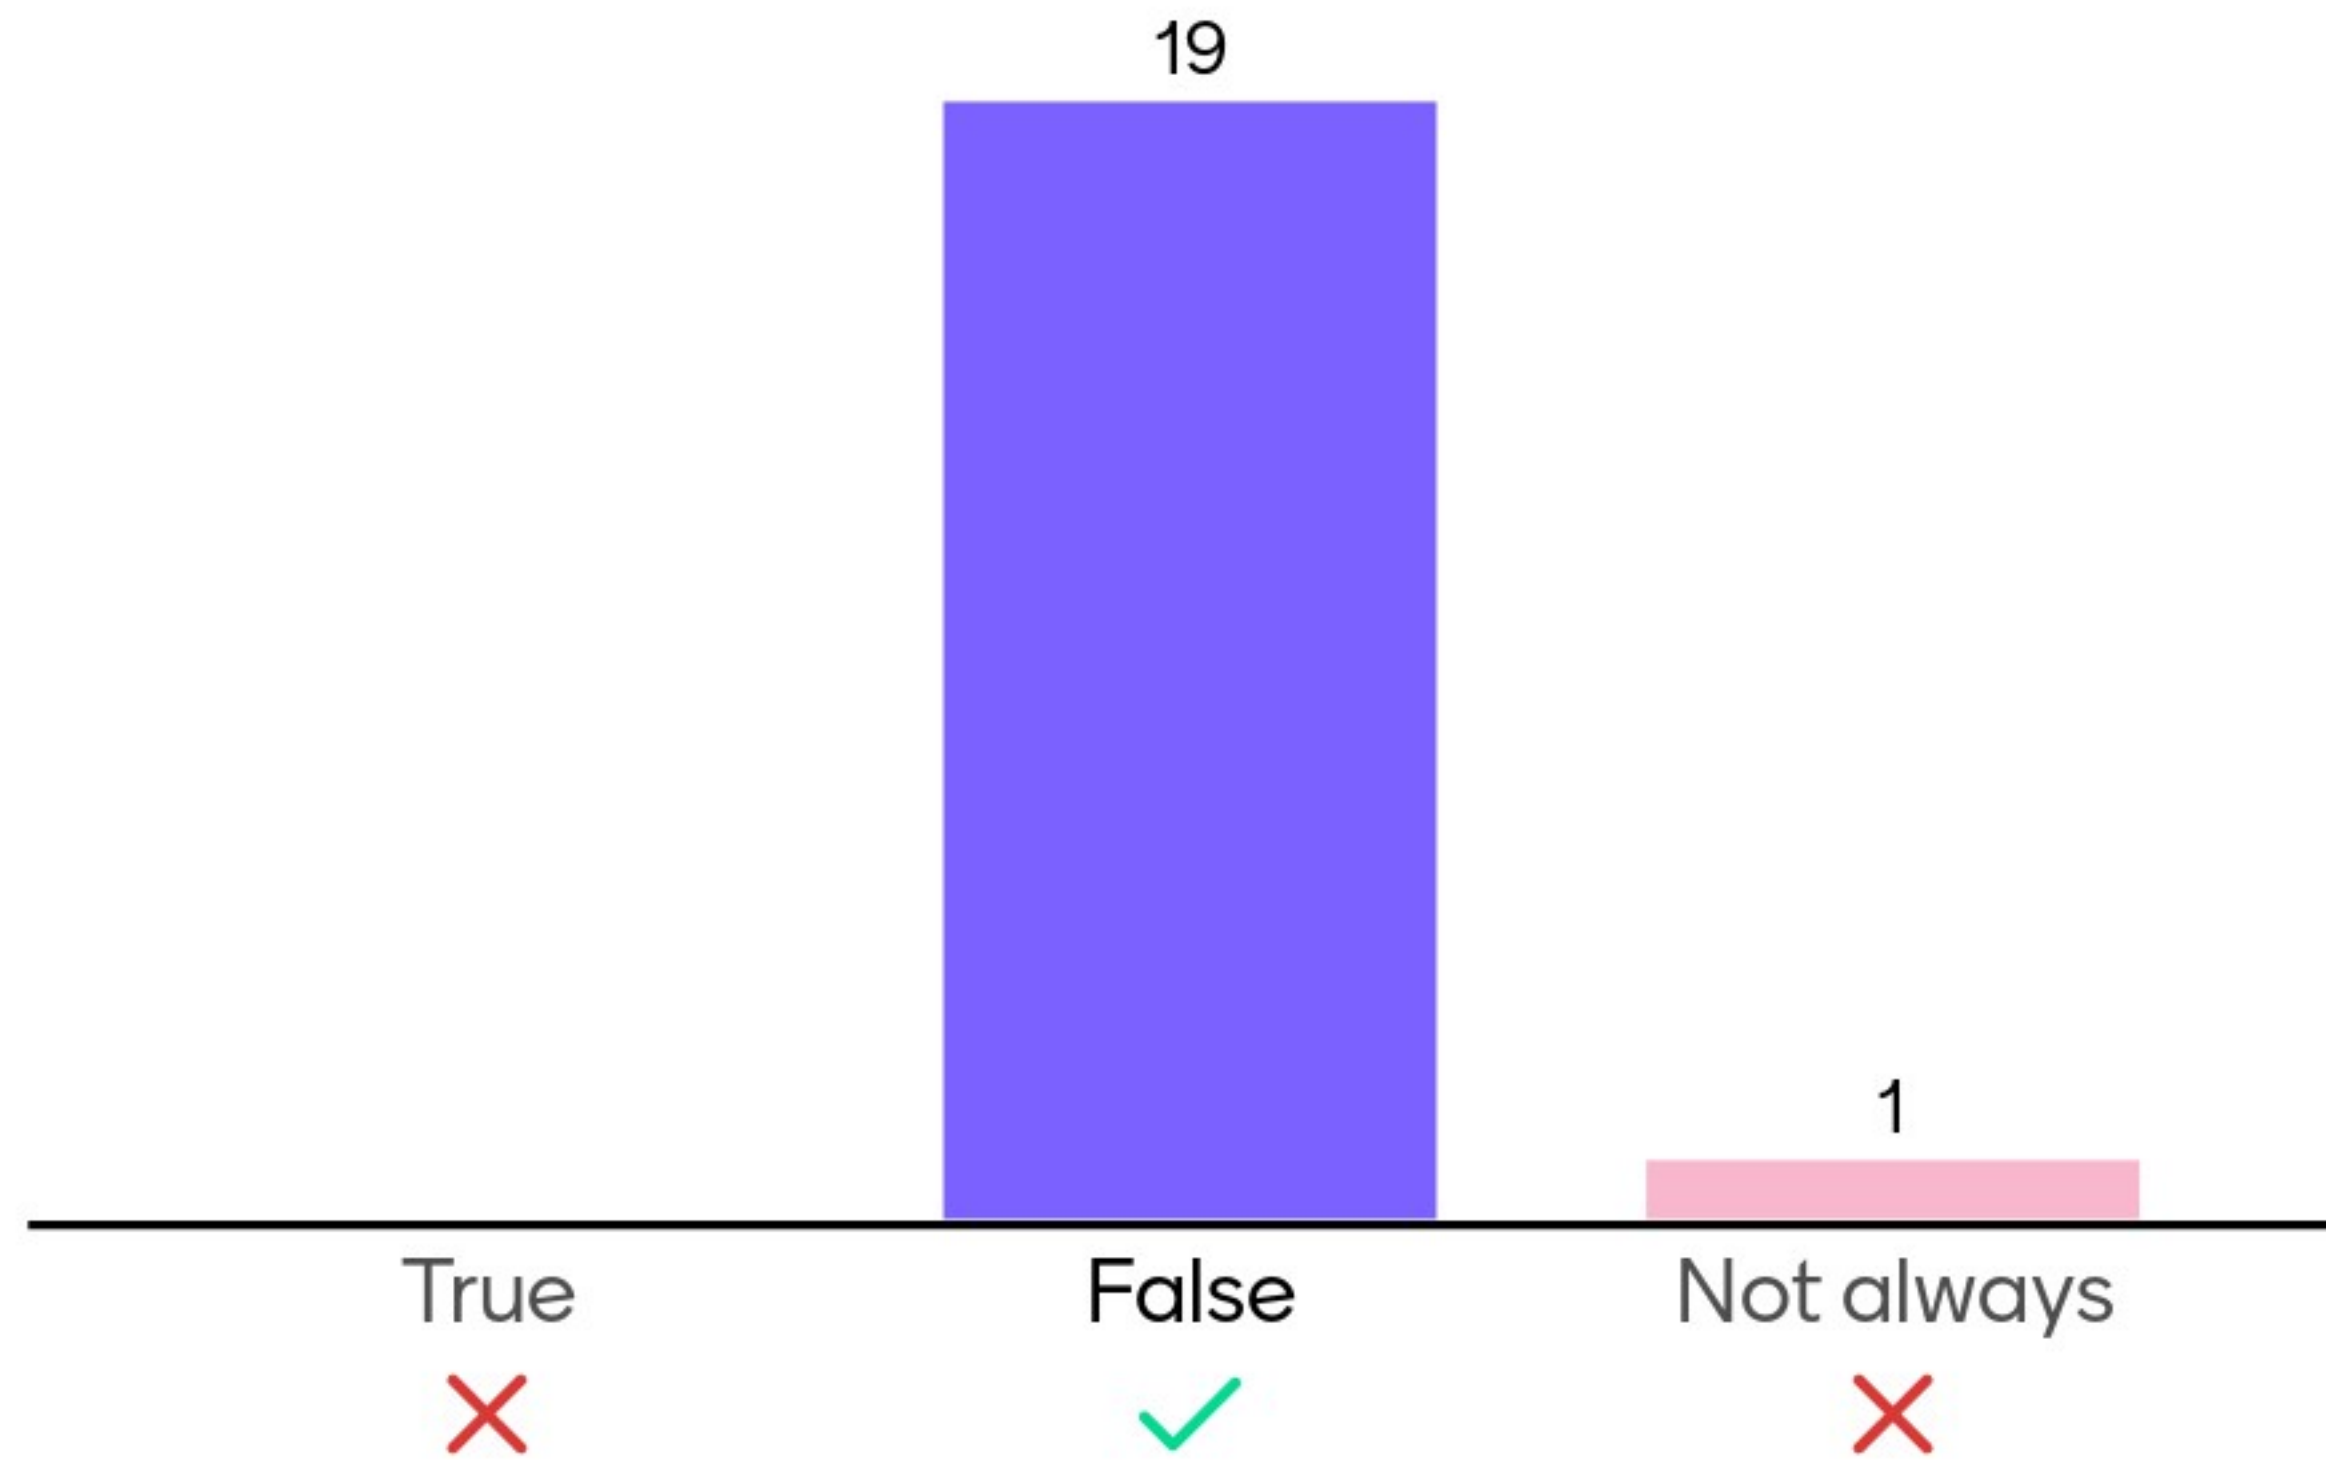

There is an acceptable threshold I can plagiarise before it is an issue.
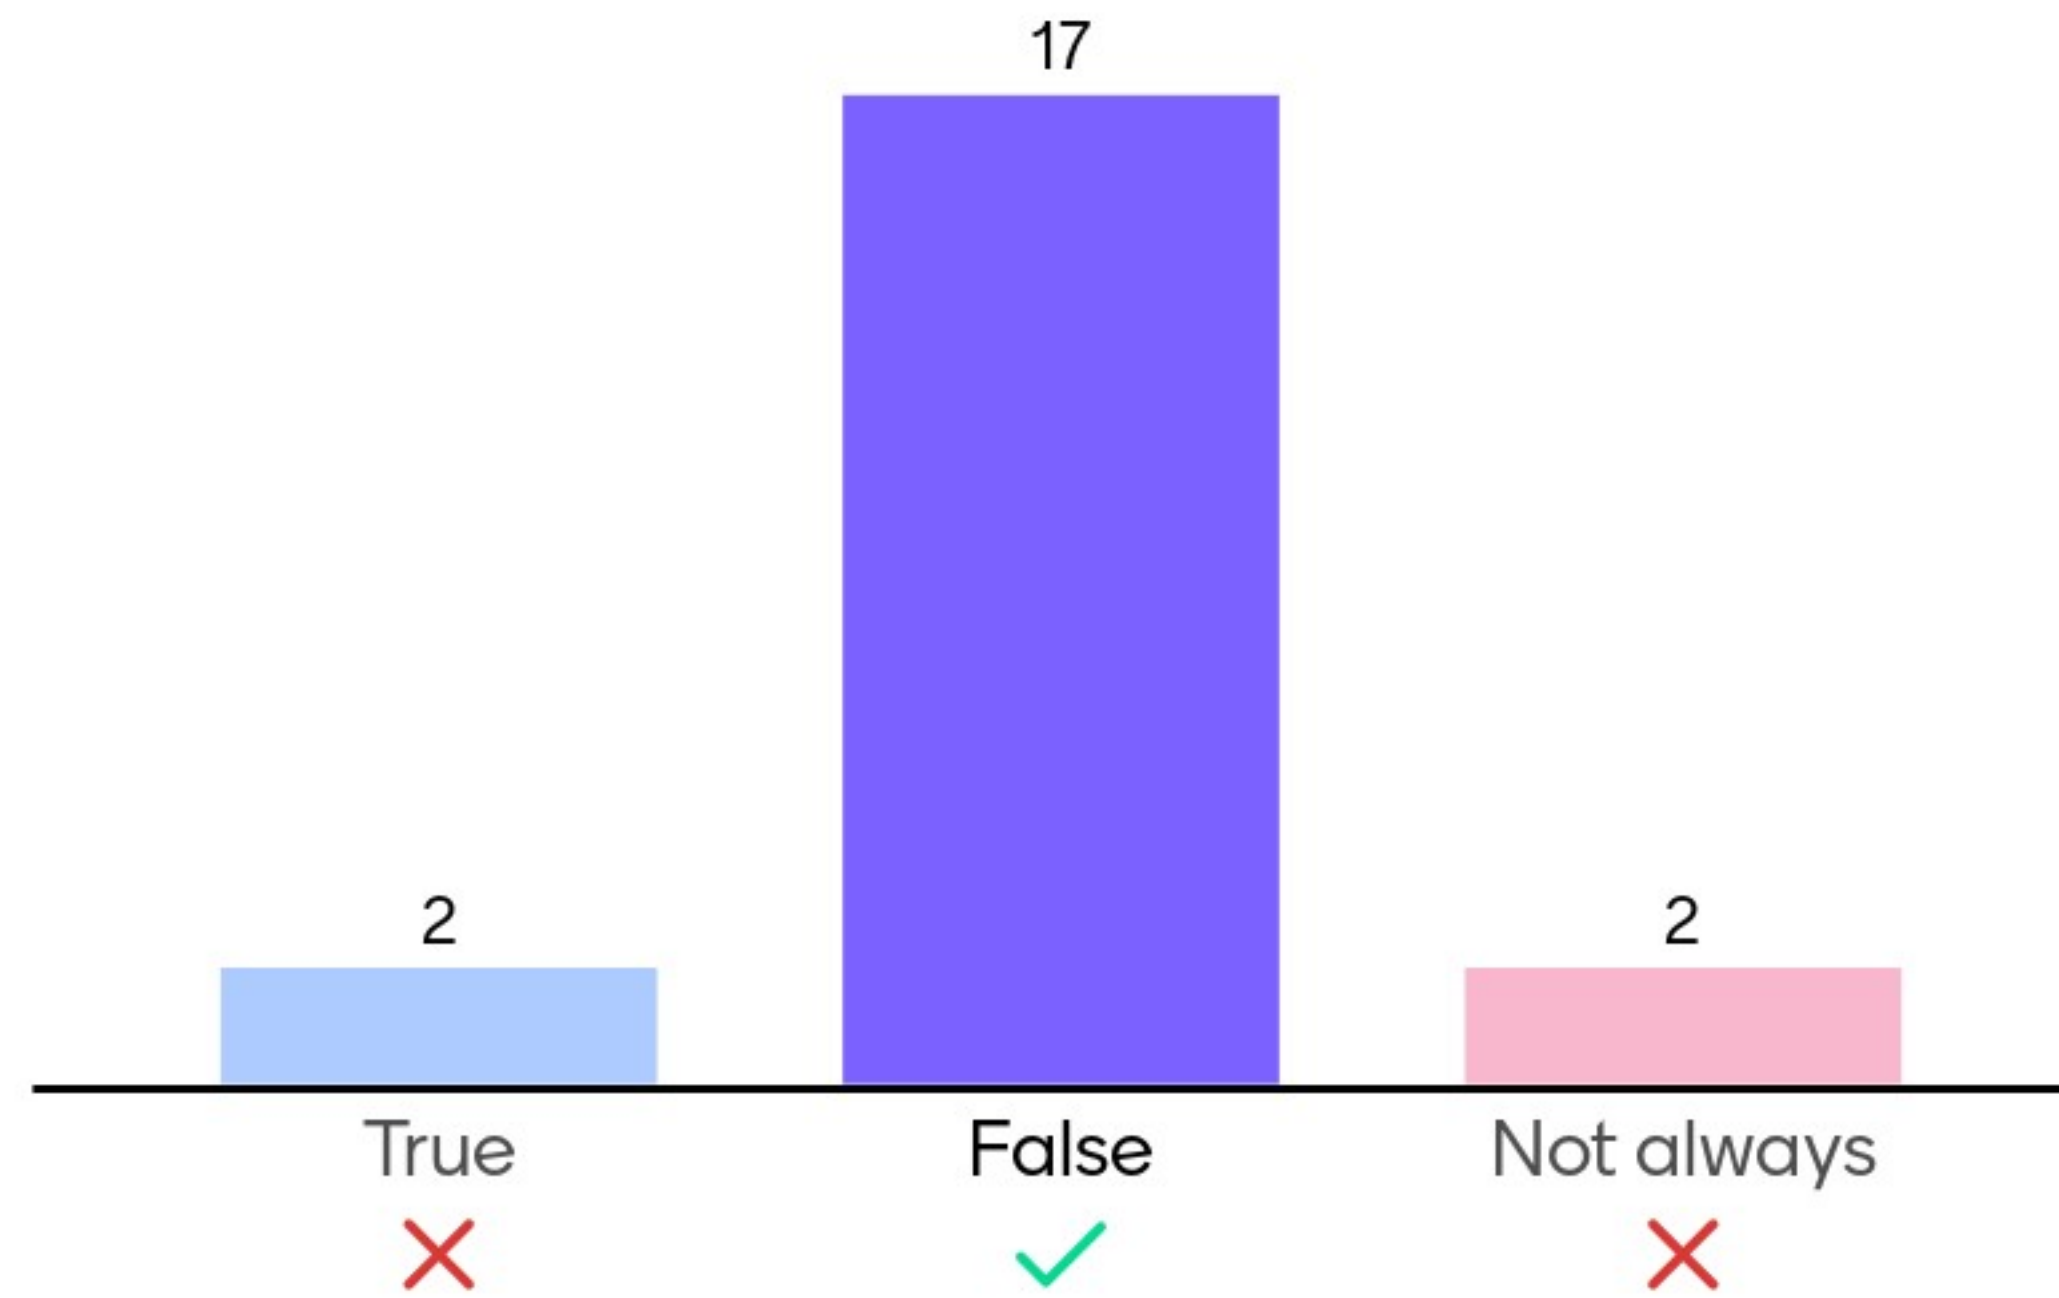

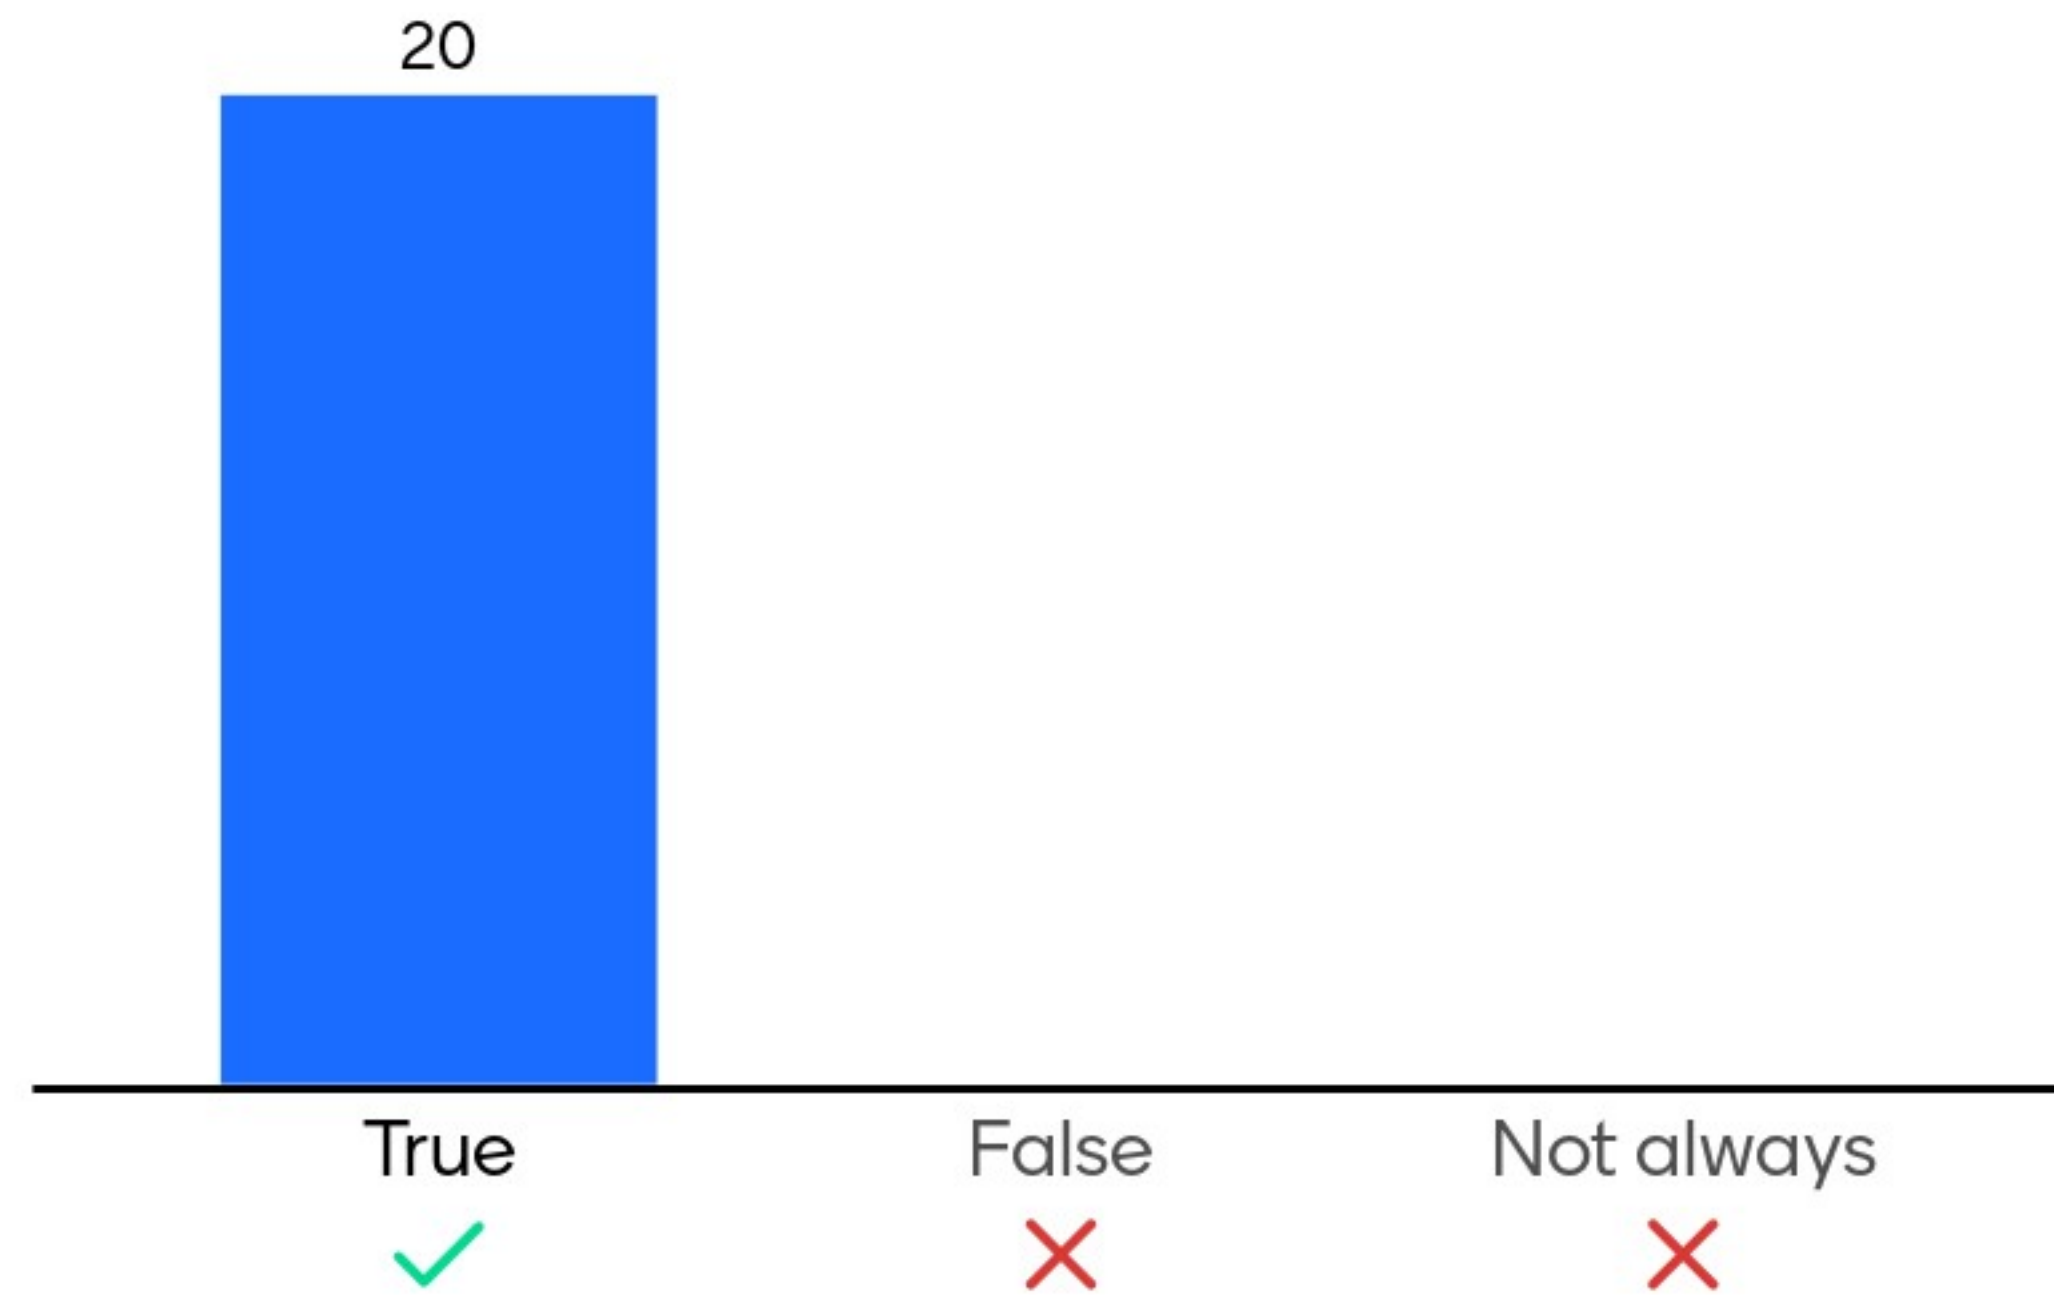

If someone uses my work, then that's a plagiarism case!

My colleague gave me his book that he wrote, I can use some of his text without referencing

✗	✓	✗

I was very much influenced by a paragraph that one author wrote, it was not my intention to plagiarise. Does this count as plagiarism?

True	False	Not always
20 ✓	✗	✗

Is it considered plagiarism if I directly copy a sentence from another author to my research even if i provide in-text citation?
